An aerial photograph of the New York City skyline during sunset. The sky is a gradient from blue to orange. In the foreground, numerous skyscrapers are visible, their windows glowing with lights. The Chrysler Building's Art Deco spire is prominent on the left. In the background, the East River and the George Washington Bridge are visible. A large, semi-transparent black rectangular box covers the upper left portion of the image. Inside this box, the word "DEMO" is written in a bold, white, sans-serif font.
